

**Bid Form – EVT0001718**

**Kansas State School for the Blind**

**Concrete Repairs/Replacement/New Work**

The contractor shall supply all labor, materials, and equipment necessary to provide for the concrete repairs, replacements, and the new work as outlined in the specifications and photographs. Prior to bidding, the prospective bidders shall visit the site of the proposed work to ascertain the scope of the project and the conditions which exist. To schedule a site visit, please call Jay Ray at (913) 645-5895, or call (913) 281-3308 ext. 318.

There are a total of six (6) concrete repair groups based on campus locations. Each group shall have a lump sum bid price for that particular group. Please provide bid pricing per the schedule below.

The Kansas State School for the Blind reserves the right to choose which concrete project(s) will be awarded, given available budget considerations.
